

## Ethics ETH2021-2091: Mrs Naflah Alazemi

Date Created	02 Jul 2021
Date Submitted	14 Jul 2021
Date of last resubmission	22 Jul 2021
Academic Staff	Mrs Naflah Alazemi
Category	Postgraduate Taught Student
Supervisor	Prof Martin Reed
Project	MSc COMBATING CYBERCRIMINALS IN KUWAIT OIL SECTOR THROUGH POLICY DESIGN AND AWARENESS
Faculty	Science and Health
Department	Computer Science and Electronic Engineering
Current status	Signed off under Annex B

---

## Ethics application

### Project overview

#### Title of project

MSc COMBATING CYBERCRIMINALS IN KUWAIT OIL SECTOR THROUGH POLICY DESIGN AND AWARENESS

#### Do you object to the title of your project being published?

No

#### Applicant(s)

[Mrs Naflah Alazemi](#)

#### Supervisor(s)

[Prof Martin Reed](#)

#### Proposed start date of research

08 Aug 2021

#### Expected end date

31 Aug 2021

#### Will this project be externally funded?

No

#### Will the research involve human participants?

Yes

#### Will the research use collected or generated personal data?

No

**Will the research involve the use of animals?**

No

**Will any of the research take place outside the UK?**

No

## **Project details**

**Brief outline of project**

MSc project investigating how people understand cyber security

**Research project proposal**

## **Participant details**

**Who are the potential participants?**

Oil and Gas sector employees

**How will they be recruited?**

Email of Known contact

**Recruiting materials**

**Will participants be paid or reimbursed?**

No

**If yes, how will they be paid?**

**How much will the participants be paid?**

**Could potential participants be considered to be vulnerable (e.g. children, mentally ill)?**

No

**If yes, please explain how the participants could be considered vulnerable and why vulnerable participants are necessary for the research.**

**Could potential participants be considered to feel obliged to take part in the research?**

No

**If yes, please explain how the participants could feel obliged and why they are still necessary for the research.**

**Will the research involve individuals below the age of 18 or individuals of 18 years and over with a limited capacity to give informed consent?**

No

**Is a DBS Check Required?**

No

**If yes, has the DBS check been completed?**

No

**If a DBS check is not required, please explain why.**

## **Informed consent**

**How will consent be obtained?**

Written

**If consent will be obtained in writing, please attach an example of written consent for approval.**

**If consent will be obtained orally, please explain why.**

**Please upload a copy of the script that will be used to obtain oral consent.**

**If no script is available to upload please explain why.**

**Who will be obtaining and recording consent?**

there is no need for recording consent

**Please indicate at what stage in the data collection process consent will be obtained.**

the survey doesn't need any consent

**If consent will not be obtained, explain why.**

The survey no collecting personal or sensitive information so we do not need or any consent

**Please attach a participant information sheet.**

**Have you reviewed the information provided by the REO on participant information and consent?**

Yes

## **Confidentiality and anonymity**

**Will you be maintaining the confidentiality and anonymity of participants whose personal data will be used in your research?**

Yes

**If yes, describe the arrangements for maintaining anonymity and confidentiality.**

only anonymous participant number are used

**If you are not maintaining anonymity and confidentially, please explain your reasons for not doing so.**

## **Data access, storage and security**

**Describe the arrangements for storing and maintaining the security of any personal data collected as part of the project.**

no personal data are collected

**Please provide details of all those who will have access to the data.**

only my self

## **Risk and risk management**

**Are there any potential risks (e.g. physical, psychological, social, legal or economic) to participants or subjects associated with the proposed research?**

No

**If yes, please provide full details and explain what risk management procedures will be put in place to minimise the risks.**

**Are there any potential risks (e.g. physical, psychological, social, legal or economic) to the researchers working on the proposed research?**

No

**If yes, please provide full details and explain what risk management procedures will be put in place to minimise the risks.**

**Are there any potential reputational risks to the University as a consequence of undertaking this proposal?**

No

**If yes, please provide full details and explain what risk management procedures will be put in place to minimise the risks.**

## **Risk Assessment documents**

**Are there any other ethical issues that have not been addressed which you would wish to bring to the attention of the reviewer(s) of your application?**

none
